Dear Sponsor,

We would love to partner with you!

The Page High School Track & Field program is preparing for the 2027 season, and with support from community partners like you, our athletes continue to thrive. In the last three years, we've celebrated major accomplishments—including a **Boys State Championship (2023)**, **10 athletes advancing to State in 2024**, **15 advancing in 2025, highlighted by a Girls 4x800 State Title and 4 athletes advancing in 2026**!

To keep building on this momentum, our fundraising goal is **$60,000** for the 2026–2027 season. These funds will help cover essential equipment (highjump pit, high jump standards, long jump sand cover, throwing area fencing, Starting blocks, starting block cart, etc.), as well as meet entry fees, team bus to away meets, uniforms, team shirts, coaches supplements, and athlete awards. With school budgets stretched thin, we rely on community sponsors to help us give our athletes the resources they deserve.

Will you consider becoming a **Corporate Sponsor**? Sponsorship levels and benefits are outlined on the attached page. All donations are tax-deductible, and your support will be seen and appreciated by hundreds of student-athletes, families, and fans in our community. Thank you for supporting Page Athletics and helping us continue to grow a program that brings pride to our school and community.

Sincerely,
Page High School Track & Field Booster Club
